## **PEROXIDE CHARGED**

Use Mouffuom for better looking and healthy teeth!

Mouffuom is a pre-brush mouth rinse that is charged with hydrogen peroxide and alkaline.

- First thing in the morning before meal, rinse mouth with cold water
- Place 1 tablespoon of Mouffuom in mouth and gently swish around making sure none goes down throat
- Do not hold in mouth pass 30 seconds and spit out but don't rinse mouth for another 60 seconds or until stinging is strong.
- Rinse mouth out with cold water.
- Now floss teeth and brush thoroughly with your favorite toothpaste and scrap tongue.
- Don't use Mouffuom more than twice weekly
